SIR:

In connection with the above-identified patent application, a Notice of Filing Corrected Application Papers, along with seven (7) sheets of corrected drawings, was timely filed on April 21, 2004.

As a result of a recent conversation with Miss Monica Young of the Office of Initial Patent Examining, the undersigned Attorney of Record was informed that the above documents are not in fact present in the Patent Office application file.

Miss Young suggested that the undersigned Attorney of Record fax copies of such documentation as originally filed, along with a copy of the date-stamped filing receipt card evidencing such filing, and therefore I am attaching copies of such documentation.

Please ensure that these documents are entered into the application file immediately so as to prevent this patent application from going abandoned.

Respectfully Submitted,
